Asante is making some changes to your plans' investment lineups

Important information about your retirement plan is now available.
Please review this information.

One of the things Asante takes very seriously is to periodically review your workplace savings plans to make sure they continue to help you meet your retirement and financial goals.

As a result of a recent review, Asante is making the following changes to your plans' investment lineups, which could have an impact on how your accounts are invested.

- A new investment option will be added
- A share class change will be made
