

Fiscal year 2024
Total: \$98,730,656

Community Benefit

Charity care
 \$12,182,090

Cost of treating uninsured or underinsured community members who cannot afford health care. Without Asante, many of these patients would go untreated.

Medicaid
 \$52,810,319

Unreimbursed cost of providing services to Medicaid and Oregon Health Plan patients.

Other government services
 \$9,960,412

Unreimbursed cost of providing services to government insurance programs such as United States Department of Veterans Affairs and TRICARE.

Community programs
 \$8,414,298

Costs of unfunded or underfunded health services that typically would not be available to the community if Asante did not provide them (includes community health improvement services, subsidized behavioral health services, health education and research).

Cash and in-kind donations
 \$214,226

Cash and in-kind donations to community health programs and community organizations addressing identified needs around access to care, mental health, chronic conditions and social determinants of health.

Additional unreimbursed costs*

Every year, Asante provides needed services to individuals for which the reimbursement, if any, does not cover the cost.

Bad debt
 \$7,490,658

Total community benefits and additional unreimbursed costs

Community benefits
 \$91,239,998

Additional unreimbursed costs
 \$7,490,658

Total
 \$98,730,656

*Medicare costs are not eligible to be included in this calculation.
