

## PGY1 – Pharmacy Residency Community Service Program

### Goals

---

The Pharmacy Residency Service Program will:

1. Provide timely, sincere, specific, and personal feedback to preceptors and other team members.
2. Develop strong teams both internally (pharmacy residency program) and externally (pharmacy department and hospital wide).
3. Provide service to the community in various capacities
4. Identify opportunities to further expand service program and increase collaboration within the community

### External Teambuilding Ideas

---
