

ASANTE SPEARS CANCER CENTER EXPANSION, GRANTS PASS

Need: Over 2,000 new cases of cancer are diagnosed each year in Jackson and Josephine counties. That number is expected to grow by nearly 20% over the next 10 years.

Cost: \$15.2 million

Size: 21,000 additional square feet, for a total of 32,000 square feet (nearly tripling in size)

Location: Two-story building adjacent to the current Spears Cancer Center on the Asante Three Rivers Medical Center campus

Construction: To be completed by early 2022

Features

- Hematology Oncology Associates clinic
- An infusion center on the second floor with 34 bays
- Dedicated oncology pharmacy services
- Supportive services such as nurse navigation, social workers, dietitians and more
- On-site Lab Services
- Diagnostic CT scanner
- A space created to prepare for future technology advances
- Comprehensive Radiation Oncology service (existing)
